

CMP Participation Guidelines

Christ Memorial Productions is the performing arts group of Christ Memorial Lutheran Church. We welcome you and appreciate having you with us! We hope to get to know you and to be friends as we work together in bringing theater to the stage!

Food and Drink

Sorry, no eating in the carpeted areas. Please use a non-carpeted area when eating. Spills are hard to clean up on carpets and stains are ugly. Not to mention crumbs are great at attracting little critters. About drinking...please do bring water to drink. It doesn't stain much and is really good to drink. It is best when contained in closable containers. No alcoholic beverages are to be brought on premise except with special permission for approved events.

Encouragement

There's a lot of work to making these shows a success. Please take every opportunity to build each other up and help each other grow. The best way to help this production flourish is by positive attitudes and camaraderie.

Time

Please be on time to avoid inconveniencing others. Also, if you are running late or have an unscheduled conflict, please notify us and work to learn what you missed. Call or text Larry at 314-223-3162. *Please do not text while driving.*

Listen and use time wisely

The Directors are here to help us, but we are also here to listen to them and give them the stage. Please ensure they can succeed in directing even if their attention is being given to someone else.

Opinions are good to have, but not always good to share. Trust builds on the strengths of those who are put in charge. Trust the leaders who are here to make this production a success.

Clean Up

There's a need to have stuff all over the place during and before and after the rehearsals. Help keep things from getting lost by tracking what is yours and picking up after rehearsals.

Tech Week

Some say tech week is hard and tedious; others find it fun and exciting. Come prepared and well rested.

Keep Track

Keep up to date at our private Facebook page. Emails will also be sent.

Child Care Center

The back hall and rooms other than the one behind the stained glass area are not to be accessed on weekdays prior to 6 pm.
