We know that you are busy and that this show will require a considerable amount of your time. We will do our best to schedule around your individual conflicts but can only do that if we know in advance what those are.

Please show any schedule conflicts you have or might have during the rehearsal periods. We would expect the rehearsals for this event to be a very high priority in your planning. You may use the calendar page to indicate conflicts.

Simply mark "C" in each date for which you have a conflict.

About the calendar:

- Gray boxes are rehearsal days.
- Labor Day may be a non-rehearsal day if there are too many conflicts, or we may cover a special sub-group.
- There is also one more shift from a Monday to a Wednesday, date TBD.
- Tech week starts Sept 10
- Until tech week, we will try to have children released at 9 pm instead of 10 pm weekdays.
