---

We know that you are busy and that this show will require a considerable amount of your time. We will do our best to schedule around your individual conflicts but can only do that if we know in advance what those are.

**Please show any schedule conflicts you have or might have during the rehearsal periods.** We would expect the rehearsals for this event to be a very high priority in your planning.

**About the rehearsals:**

- Labor Day may be a non-rehearsal day if there are too many conflicts, or we may cover a special sub-group.
- Tech week starts Sept 12
- Rehearsals generally will be scheduled for:
  - Sundays from 2 - 5 pm and
  - Mondays, Tuesdays, and Thursdays from 7-10 pm.
  - Some weeks may require adjustment to this due to facility conflicts.
- Until tech week once school starts, we will try to have children released at 9 pm instead of 10 pm weekdays.
- The first rehearsal is set for Sunday, July 18

**PLEASE list all conflicts you have between July 18 and September 26.** Use the back of this sheet if needed. Please include all conflicts in case we need to adjust the schedule. Include all mandatory dance class conflicts. We would anticipate that rehearsals would generally take a priority over dance classes. If you cannot plan to be excused from dance classes, please let us know how that impacts your availability. Tech week and performance conflicts may preclude casting.
